CERTIFICATE OF RECOGNITION**

FEATURE INDUSTRY

Roesch Meats and More

WHEREAS the Mayor and Council of the Municipality of Chatham-Kent recognize the contribution that corporate citizens have made and are making to enhance the economic health of this community;

Roesch Meats and More, owned and operated by Louis and Clara Roesch, is located at 10910 Northwood Line near Kent Bridge. Louis and Clara began operations in 1995 and presently have six employees.

Roesch Meats and More believe in providing the highest quality meat available anywhere. Their pork is fed and raised on-site, and they do not use any medication in their feed or water. They offer only Ontario pork, beef and chicken and also offer lamb by pre-arrangement. Their motto is 'Your satisfaction is our guarantee.'

Roesch Meats and More also work closely with the Ontario Ministry of Agriculture, Food and Rural Affairs to follow all health standards, which means extra precautions are taken to ensure you have the best cut of meat every time.

Louis and Clara Roesch were each awarded as 'Agriculturists of the Year' in 2014 by the Chatham-Kent Chamber of Commerce.

Roesch Meats and More's catering service is becoming famous throughout Southwestern Ontario. They are able to cater a family barbeque for 25 people to a church, casual wedding, business or social function for 500 people. They are known for preparing and serving a wide variety of high quality and delicious meals and are able to work with clients with special dietary meat requirements.

They are excellent community partners, as they help out with various charities and organizations throughout the year in Chatham-Kent.

Louis and Clara Roesch are proud to be able to serve the residents of Chatham-Kent. They believe they are located in the agricultural centre of Canada in terms of crop production and crop diversity and believe that the agriculture sector in Chatham-Kent really does "Grow for the World."

NOW THEREFORE I, Randy Hope, Mayor and CEO of the Municipality of Chatham-Kent, proclaim that Roesch Meats and More is hereby designated as the "Feature Industry" for the month of March 2017.
